# City of Whitefish Results of Visioning Group Mapping

0 0.5 1 2 Miles

Infrastructure / traffic at capacity

Preserve Water Access

Preserve Access to River

Reduce / re traffic or Need better crossing

Density

Additional Density. Already connected to bike path and near downtown.

Density

Ideal for incorporation and expanding transportation grid

Protect

Density

Protect from development

Density

Byway

Area for density

Protect / enhance trail system

Mtn viewshed

Protect viewshed parking Structure

Density

Second floor housing

Density

Density (3)

Density and thoroughway

Tranist Hub

Density

Viaduct

Parking Structure

Prioritize infill over sprawl

Density

Second floor housing

Density

Beautiful farm and artwork

Beautiful tree and apples

Density

Density

Viaduct

North / South transportation connection from Army to Montegan
