Dear Chief Justice McGrath,

It has come to my attention that I am the subject of criminal charges brought against me by the Division of Criminal Investigation and the Attorney General's Office of the State of Montana. Defending myself against these charges will require my full time, effort, and resources as I work to protect my family and myself from the harm these allegations have already caused and will continue to cause.

In light of these circumstances, I have made the difficult decision not to proceed with taking the oath of office to serve as District Court Judge for Lake and Sanders Counties, a position I was recently elected to and which falls within your jurisdiction. This decision, while heartbreaking, is one I believe to be in the best interest of my family, our community, and the broader legal community.

My wife, two sons, and extended family are the cornerstone of my life. Coaching youth sports and working alongside parents and community members to make our community a vibrant and welcoming place have been my greatest sources of fulfillment and joy. I am deeply grateful for the unwavering support of my wife, my family, and a community of remarkable friends who have stood by me during this challenging time. Their love, generosity, and encouragement mean more to me than words can express.

The people of Lake and Sanders Counties are resilient and strong, as you well know. While it pains me to step away from the opportunity to serve them, I must focus on fighting for my name, my family's well-being, and our future.

Thank you for your continued service to the people of Montana.

Respectfully,

Britt Cotter
