Dear Flathead County Residents and Taxpayers,

As the new Flathead County Superintendent of Schools, I am truly grateful for the opportunity to support our students, educators, and communities. It is an honor to step into this role and work alongside the dedicated people who make Flathead County such a vibrant and caring place for students to learn and grow. Through teaching special education, serving as the Flathead Special Education Cooperative Director, and raising three daughters who attended valley schools, I've gained meaningful perspective from each role.

Each year the County Superintendent's Office collects and compiles data from our schools which provides a clear and transparent summary of district operations across the county. Figures are taken from the prior year-end financial reports (2024-2025), the current-year school district budgets (2025-2026), and the fall enrollment data (October 2025). This report may be found on the County Superintendent of Schools' website:

<https://flatheadcounty.gov/departments-directory/schools>

While we are committed to responsible and transparent stewardship of taxpayer dollars, we also cannot overlook the increasing demands placed on today's classrooms. Our teachers, school staff, and administrators work tirelessly to support students. They often go above and beyond to meet academic, social-emotional, and essential needs. Their dedication, creativity, and care make a profound difference every day. These realities require adequate resources to ensure safe, effective, and supportive learning environments. We deeply appreciate the taxpayers of Flathead County, whose investment makes it possible for our schools to meet these challenges and provide students with the high-quality education they deserve.

Flathead County's schools are strengthened every day by the commitment of those who serve in them, and I want to extend my sincere gratitude for their exceptional commitment and continued service to our students and families.

This document is made possible with the steadfast effort of Kim Gearhart, Finance Technician and Michael Zenz, Office Assistant, organizing and compiling the data and keeping the office running efficiently. I appreciate them each day!

Sincerely,

Marcia Stolfus, Superintendent; Kim Gearhart, Finance; Michael Zenz, Administrative Assistant
